Crescent Foods is an American pioneer and single source provider of premium, Certified Hand-Cut Halal meat and poultry products. With the highest standard of Hand-Cut Halal, all the way through, Crescent Foods creates an inclusive company culture, new opportunities for customers, partners, and bold ideas to fit the ever-evolving needs of today's consumers. Based on the values of tradition, integrity, wisdom and engagement, Crescent Foods offers a positive, principled, dining experience for conscientious consumers, everywhere.

WHAT IS HALAL?

While THE WORD 'halal,' meaning 'permissible,' may be an unfamiliar to many, its **universal principles** for a healthier lifestyle ARE NOT.

Crescent Foods processes focus on giving thanks for the food that nourishes us; raising healthy animals without the use of antibiotics; using conscientious processes, and providing clean, wholesome food that's all natural, free from impurities, and contains NO artificial ingredients or preservatives.
